

TERMS AND CONDITIONS APPLICABLE TO DATA AND PRODUCTS FROM COPERNICUS SENTINEL MISSIONS OPERATED BY EUMETSAT

Data and products from Copernicus Sentinel missions operated by EUMETSAT (hereinafter "Sentinel Data") are made available to you in line with the Copernicus data policy as defined in Regulation (EU) No 2021/696 and dedicated Commission Delegated Regulation (EU) No 1159/2013.

You are expected to consult and familiarise yourself with the [Legal Notice on the use of Copernicus Sentinel Data and Service Information](#), ensuring that you have understood how and for what purposes Sentinel Data and Service Information may be used, how it must be credited and taking note of the European Union's limited liability. Breach of any of these conditions may result in the loss of rights granted hereunder.

Sentinel Data is provided "as is". Neither EUMETSAT nor any other entity involved in the implementation of the Copernicus component of the European Union's Space Programme can guarantee the accuracy and completeness of the Sentinel Data or its suitability for the purpose of your activities. EUMETSAT and entities involved in the implementation of the Copernicus component of the European Union's Space Programme shall not be held liable for any damage derived from the use of Sentinel Data by you or any third party, except in case of wilful misconduct.
